EVERY COUPLE DESERVES TO BE
MOONSTRUCK

WWW.MOONSTRUCKFORLIFE.COM

Hello, I'm Beth!

A lifelong resident of central Ohio with a heart that beats to both city life and a touch of country splendor! Weekends were spent on family trips to my grandparents' homes, where everyone gathered, sharing stories, laughter, and controlled chaos with so much love. My grandmother, Garnet Opal—her name as dazzling as her spirit—was the heart of every celebration. A true social butterfly, she hosted family gatherings, brought magic to every holiday, and played an active role in her community. She had an incredible gift for turning any space into something special, filling it with warmth, joy, and nothing less than magic!

That deep-rooted connection to family, celebration, and creating unforgettable moments is woven into my soul. I believe every occasion is worth celebrating, and I find pure bliss in curating moments, bringing all the moving parts and pieces to fit flawlessly together for your wedding vision, social or corporate event, and memories that last a lifetime.

My motto has always been to enjoy the journey—nothing in life is perfect, but beauty surrounds us, and the love we pour into each moment is what truly lasts forever.

I am honored to serve your big day needs or special event and beyond! Welcome to my passion, and welcome to your Moonstruck experience - every occasion deserves to be Moonstruck!
